

RCC\_Private\_Functions

```
graph LR; A[Internal and external clocks, PLL, CSS and MCO configuration functions] --> B[RCC_Private_Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'RCC\_Private\_Functions'. The box on the right is gray with a black border and contains the text 'Internal and external clocks, PLL, CSS and MCO configuration functions'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two.

Internal and external  
clocks, PLL, CSS and  
MCO configuration functions
