

DMA_Private_Functions

Interrupts and flags
management functions

```
graph LR; A[Interrupts and flags management functions] --> B[DMA_Private_Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'DMA_Private_Functions'. The box on the right is gray with a black border and contains the text 'Interrupts and flags management functions' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two components.
