

GPIO_Private_Functions

```
graph LR; A[Initialization and Configuration] --> B[GPIO_Private_Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'GPIO_Private_Functions'. The box on the right is gray with a black border and contains the text 'Initialization and Configuration' on two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship.

Initialization and
Configuration
