

TIM_Private_Functions

Interrupts DMA and
flags management functions

```
graph LR; A[Interrupts DMA and flags management functions] --> B[TIM_Private_Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'TIM_Private_Functions'. The box on the right is gray with a black border and contains the text 'Interrupts DMA and flags management functions'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or call from the gray box to the white box.
